

SUNBURY VOLLEYBALL BULLDOGS

In 2017, the first U14 Club Volleyball Sunbury Bulldogs team to come from Fredericton Junction in many years and possibly the first U14 team in history began with a second-generation volunteer Jcter' at the helm, Leon's daughter Courtney (Nason) Murphy. This team was comprised of nine local Sunbury West School kids. This small group of nine kids competed in tournaments across the province. They competed very well overall for their first year and their success continued as the SWS Varsity Team won tournaments (and the tournaments not won, placed 2nd!), a District Championship and 3rd place at the Middle School Provincials! Without the dedication from this team and supportive parents, we wouldn't be where we are today.
