

Welcome To
The
Village of

FREDERICTON JUNCTION

WE'RE ON THE RIGHT TRACK

**VILLAGE OF FREDERICTON JUNCTION
102 WILSEY ROAD
FREDERICTON JUNCTION, N.B.
E5L 1W7**

To All New Residents:

Welcome! You will find this community pleasant and comfortable, a great place to live! We pride ourselves in the friendly atmosphere of our small, basically rural community, and offer a level of services typically found in larger municipalities. Our nursing home, the medical facility, the school, the arena, and the municipally owned water and sewage system represent only a few of the many fine places worthy of special mention.

This brochure will serve to make you aware of some of the additional facilities and services available to you as a resident of Fredericton Junction. We hope that you will make maximum use of them.

We invite you to participate in the many community- oriented organizations which further add to our enjoyment and quality of life here in Fredericton Junction. A small community depends on volunteer spirit of its residents to build and maintain local services. Our volunteer Fire Department, Recreation Center, Historical Society and many other groups would welcome your participation.

Again, allow us to welcome and to congratulate you on your choice of Fredericton Junction as your new family home.
